

HELP YOUR BUSINESS IN INDONESIA

ABOUT US

Indoservice was established in 2019 and helps clients who want to expand or establish a business in Indonesia. We have been providing services to several local and multinational companies.

Assisted by our professional team, who are years experienced on functional practices such as legal, tax and accounting, recruitment, product registration, business license and working permits. Your business in Indonesia which start from just a plan could transform into a reality.

Our knowledge in development, regulations, and market trends, in multiple industries, leads us to develop a customized strategy. Alongside clients, we give solutions for every ever-changing regulation in Indonesia.

OUR SERVICES

- ❖ Company Setup (PT PMA Foreign, PT Local, and Representative Office)
- ❖ Business Permit (BPOM, SNI, HAKI, and SBU)
- ❖ Expatriate Work and Stay Permit (Visa, KITAS, KITAP, STM, and SKTT)
- ❖ Document Legalization/Apostille and Sworn Translation
- ❖ Payroll Outsourcing/Employer of Record
- ❖ Accounting, Tax, and Investment Reporting
